Most English people eat four meals a day. They have breakfast at any time from seven to nine in the morning. They usually eat eggs or bread and drink tea or coffee for breakfast. Lunch usually comes at about one o'clock. Some of them eat in the restaurant, and some of them eat at home. Afternoon tea is from four to five. Supper is at about half past seven.

In some families, they like eating well in the evening, because they are usually very busy in the day. First they usually have soup, and then they have meat or fish with vegetables for the big meal. After that, they eat some other things like bananas, apples or ice cream.

I'm going to graduate from my dear No.2 Junior High School? During three years, my music teacher Miss Wei is my favorite teacher. Miss Wei is of medium build and she's pretty beautiful from my eye. She has big eyes, a small but straight nose and a small mouth with long straight hair. There's always a smile on her face. She likes wearing smart clothes. She was born with beautiful voice. We all like listening to her singing. I like singing, too. But I'm a little shy. Last year, she encouraged and guided me to take part in the pop singing competition. She gave me some useful advice and told me to be more confident when singing on the stage. Thanks to Miss Wei. I won the match. Now I'm confident in myself. I'd like to learn from her from then on. Thank you, Miss Wei. You are one of my favorite teachers in my life.
