**My Free Time**

I have lots of things to do in my free time. Usually I take exercise after school so that I can keep healthy and study better. Sometimes I listen to the music for a while, which is a good way to relax myself. Of course, I help my parents with the housework at the weekends too. When I get tired, I would like to sit by the balcony and read books such as a novel, a science fiction, or even a poem. Reading calms my heart down and satisfies my hunger for knowledge. I love my free time because I enjoy the freedom.
