### C

In England, you can often hear “lady first”. And also gentlemen in England are famous in the world. Englishmen always think ladies first in most places. When a man and a lady go into a room together, the man opens the door for the lady. When there are two ladies and a man, the man should walk between the ladies.

At a dinner party, when a lady comes into the room, all the gentlemen in the room stand up to show their respect(尊敬). However, the ladies needn't stand up. They usually introduce men to ladies unless(除非) the men are so old. The men always help the ladies pull out the chairs and help them sit when the banquet(宴会) starts.

Now ladies in England are more important than before. They can make money and get good jobs. So some men think that maybe “ladies first” should be changed in the future.

61. “Ladies First” is often heard in \_\_\_\_\_.  
A. England                      B. France                      C. China                      D. Japan
62. Where should the man walk when he walks with two ladies together?  
A. In front of the ladies                      B. Behind the ladies  
C. On the left of the ladies                      D. Between the two ladies
63. What will a man do when he comes into a room with a lady?  
A. The lady will open the door for the man.  
B. The man will open the door for the lady.  
C. The man can't go into the room.                      D. The lady can't go with a farm.
64. What do men always help ladies do when the dinner party starts?  
A. Give them a lot of food sometimes.  
B. Order something for the ladies  
C. Pull out the chairs and help them sit.  
D. Find good jobs to make money.
65. Why do some men think “Ladies First” should be changed in the future?  
A. Because gentlemen don't want to get ladies first.  
B. Because gentlemen are more important now.  
C. Because ladies don't want to be first.  
D. Because ladies can make money and get good jobs now.
