### Passage 3

One of my favorite memories (回忆) of summer in my hometown is going to art fairs. Local artists come together to sell their goods in one place. They are sometimes called art bazaars (市集) or flea markets (跳蚤市场). They're a good place to learn more about art, meet interesting people and buy fun things.

In fact, you can find more than just paintings at these fairs. Some people sell handmade furniture, while others might sell other homemade goods, such as candles or spices (调料) for cooking.

Art fairs are usually held outdoors. Each seller has their goods in their own tent. You can eat snacks as you go from tent to tent, looking at the goods and choosing which ones you might want to take home.

I've seen similar (相似的) fairs here in Beijing. Some of my friends have taken part in them. It's fun to see the different kinds of things that they've made themselves. And it feels good to support (支持) people by buying their creations.

39. Which of the following is **Not Right** about art fairs in writer's hometown?

- A. You can learn art and meet interesting people there.  
B. Local artists can sell their goods there.  
C. People can only find paintings there.

40. What does the writer think of the art fairs in Beijing?

- A. They are different from those in his hometown.  
B. They are good places to make friends.  
C. They are fun and interesting.

41. The best title of the passage is "\_\_\_\_\_".

- A. How to find good paintings at art fairs?

#### Passage 4

### Reaching the Top

#### The Top of the Trees

In a rainforest there are tall trees. The top of the trees is called the canopy.

Scientists want to learn about the canopy.

They want to learn about everything that lives there.

It has not been easy to get to the top of these trees.

#### Reaching the Top

Meg knows a lot about trees. She is sometimes called Canopy Meg.

Meg has always liked trees. When she was a child, she made tree houses. She rescued birds that had fallen from their nests.

Now, she has climbed to the top of trees all over the world.

#### A Walkway Through the Trees

A walkway is like a bridge. It goes between the trees. A walkway is safe and it doesn't harm the trees.

Walkways in the rainforest were Meg's idea. Now, they are used by many people.

A walkway, however, cannot be made at the very top of the trees. The very top is where many scientists want to go.

#### The Canopy Raft

Meg has reached the very top of the trees.

One way she loves to reach the top is by a raft. The raft is very light. It is filled with air. It has a huge net on it. A hot air balloon drops the raft onto the trees.

Scientists can stand on the raft and look into the trees.

#### Tower Cranes

A tower crane is another way to get to the top. The crane can go up and down. It can go above the tree-tops. It can go all the way down to the ground, too.

Scientists are learning about life in the canopy. They have learned that there are millions of insects in these treetops.

They have learned that these insects are eating the leaves.

#### Adventures in the Treetops

Meg and her sons have had many adventures in trees. They have slept in trees. They have even eaten bugs.

Meg's job is to keep finding out more. She wants to help find the secrets of the treetops. There are still millions of animals that no one has seen. Many of them are in the treetops.
