Dear friends,

I am happy to invite you to my birthday party. You can take No. 1 or No. 13 bus and get off at the Happy Road. Then walk along the road and turn right at the second crossing. There is a school on your left. My home is next to it.

At the party, we can eat a big, delicious cake and have some special food—large bowls of tomato noodles, beef dumplings, tofu soup, pancakes and fruit salad. We can also listen to music, play the piano, see movies and play games. I hope you can come.

I'm looking forward to seeing you at my party.

Yours,

Amy
