One possible version:

It was sunny and a little windy last weekend. On Saturday morning, I did my homework first. Then I cleaned my room. In the afternoon, I bought some fruits and went to the hospital to see my good friend. On Sunday morning, I made a kite. It was difficult for me so I asked my father for help. In the afternoon, I studied for two hours for the math test. I went to bed early at night.

I had a busy and happy weekend.
