Dear Alice,

How is it going? Thank you for your last e-mail. Now let me tell you something about my daily life.

Every school day, I usually get up at 6 o'clock and then I have a quick breakfast. The school is 3 kilometers away from my home. It takes me less than half an hour to walk to school. Walking is good exercise, isn't it? There are 4 classes in the morning and 3 classes in the afternoon. The first class begins at 8:00 a.m. and the last one finishes at 4:00 p.m. I have lunch at the school dining hall. The food here is delicious. After school, I have a guitar lesson in the music club for 1 hour. I have great fun playing the guitar. When I get home, I always do my homework first. Before going to bed, I always do some reading. In short, I have a really busy school day. What about yours?

I'm looking forward to your reply.

All the best,

Li Hua
