Now as the final exam is coming, more and more students are facing great pressure. And it has even influenced some students' life. So I'd like to share my suggestions.

First of all, I think we should keep a balance between studying and relaxing. Relaxing can make our study more effective. Second, we should not only eat healthy food but also eat regularly. Third, we should have a good sleep. We'd better go to bed before 10:00 every night. Fourth, it's a good choice for us to do sports every day. Last but not least, we should stay a good mood. We can often talk with our parents, teachers or friends.

I hope my suggestions will be helpful to all of you.
