An Unforgettable Weekend

My friend Li Hong did badly in a test last week and she felt upset. I was really worried about her, so I wanted to do something to cheer her up. My friend and I had an idea, we decided to take her to Mount Yin to relax.

It was a sunny day last Sunday. We rode our bicycles there. As soon as we got there, we began to climb the mount. The air was fresh and the trees were tall and green. While we were having fun climbing the mount, we took lots of photos. We were so happy that we nearly forgot all the worries. After we climbed the mount, we went to a restaurant and enjoyed the local food. It was quite delicious and all of us ate two bowls of rice.

We had a great time there and all of us felt happy. Li Hong also felt much better and she said she would work harder to get better grades. What an unforgettable weekend!
