## 二、阅读理解（共 20 小题，每小题 2.5 分，计 50 分）

阅读下列短文，然后从每小题 A、B、C、D 中选出能回答所提问题或完成所给句子的最佳答案。

## A

Life in the future will be different. Many changes will happen. But what will the changes be?

The population is growing fast. There will be many people in the world and most of them will live longer than people live now.

Computers will be much smaller and more useful, and there will be at least one in every room. And computer studies will be one of the important subjects in schools then. People will work fewer hours than they do now and they will have more free time for sports, watching TV and travel. Travelling will be much cheaper and easier. And many more people will go to other countries for holidays.

There will be changes in our food, too. More land will be used for building new towns and houses for all the people. Then there will be less room for cows and sheep, some of which will be more expensive.

Maybe no one will eat it everyday. Instead they will eat more fruit and vegetables. Maybe people

will be healthier. Work in the future will be different, too. Robots will do dangerous and hard work. Because of this, many people will not have enough work to do. This will be a problem.

26.What does the underlined word“population”mean in Chinese?

A.人口数 B.经济 C.科技 D.污染

27.What does the underlined word“one”in Paragraph 3 refer to(指代) ?

A. A robot. B. A subject. C. A computer. D. A TV.

28.People may eat more in the future.

A.meat B.fish C.chicken D.fruit and vegetables

29.One big problem in the future is that\_\_\_\_\_

A. many people don't have to work.

B. many people will not be able to find work.

C. people have to work fast.

D. all the work will be done by robots.

30.What's the best title for the passage ?

A. The changes of the future life

B. The food of the future life

C. The population of the future life

D. The robots of the future life

**B**

Tom, Ted, Alan and Mara are talking something about the future.“What will our world be like in the future?” Let's know about their ideas.

Tom	I think everybody will carry a pocket computer in the future. The computer will give people the answers to a lot of their problems quickly. They will have telephones in their pockets, too.
Ted	I think a lot of people will live and work under the sea. Perhaps there will be towns, factories and farms under the sea, too. Machines will do most of the work, and so people will have more holidays. Perhaps they will work only two or three days a week. They will be able to fly to the moon by spaceship and spend their holidays there.
Alan	I think we'll wear a new kind of clothes. They'll be warm when we are cold and cool when we are hot. And we'll eat many kinds of food. Food will be very cheap and nice to eat. Everyone will have a long life.You can see lots of 150-year-oid people in the street.
Maria	I think we will live in beautiful houses. The house can also walk. When we want to change the place we live, they'll take us there in a short time. And we will make many new robots. They will help us with the housework and can cook meals for us. They'll be our good friends. And they will also help the old people in many ways.

31. \_\_\_\_\_ thinks everybody will carry a pocket computer in the future.

A. Tom B.Ted C.Alan D.Maria

32.Ted thinks people will live and work

A. on the moon B. under the sea

C. How to go to the Mars D. The life in the future

**D**

We all know that the computers changed our life in the 1980s. We realized that the Internet changed our life in the 1990s .Can you predict that the robots will change our life in the new century? It's not a dream that every home will have a robot. We believe that there will be robots in people's homes.

Now, robots are able to help people do the housework. They can also help the doctors do the difficult operations, play chess with people, play the piano and do some other things.

It is really funny to have a cooking robot. It can cook all the dishes on the menu. What you only need to do is just waiting for two to four minutes. You will be surprised at how delicious the food will taste.

In the future, the robot will be a nurse, a security (安全) guard or a partner in your life. In the future, robots will become part of the family, and provide close service for people.

We all look forward to the new robot age.

41. \_\_\_\_\_ changed our life in the 1990s.

- A. The robots            B. The computers  
B. The TV                D. The Internet

42.Robots are able to help people do things EXCEPT

- A. doing the difficult operations    B. playing chess with people  
C. playing the piano                D. washing clothes

43.About the cooking robot, which of the following is NOT true according to the passage?

- A. There is a cooking robot.  
B. A robot can cook all the dishes on the menu.  
C. You need to wait for two to four seconds for the meal.  
D.The food will taste delicious.

44.According to the passage, what can robots do now?

- a. help the doctors do the difficult operations  
b. play chess with people.  
c. play the piano.  
d. help students do homework.

A. a, b, d    B. b, c, d    C. a, c, d    D. a, b, c

45. What's the main idea of the passage?

- A. It's about a funny cooking robot.  
B. It's about technology in our life.  
C. It's about the importance of computers.  
D. It's about robots.

五、阅读表达(共 5 小题，每小题 2 分，计 10 分)

阅读短文，根据题目要求完成各小题。

It's Monday. We're having an English class. Our English teacher, Miss Lee, asks us what we want to be in the future.

At first, nobody answers. But a few minutes later, Ben stands up and tells us he wants to be a doctor in the future. He says, "I like looking after the patients ." Then David says he wants to be a maths teacher. And he can make his students be interested in maths. He thinks teaching is very interesting. And his parents are both teachers.

I have a big plan for my future. I want to be an artist (艺术家). I will go to America because I can enjoy many art shows there. When I get much money, I'll build two big houses. I'll live in one of them. My parents will live in the other. I like going sightseeing, so I also want to travel all over the world.

From now on, I'll work hard for my future. So I will get up early to read books everyday. I will listen to my teacher carefully in class. I will get on well with my classmates too.

71.What does Ben want to be in the future?

72.Why will the writer go to America?

73.Translate the underlined sentence into Chinese.

74.\_\_\_\_\_ jobs are mentioned in the passage. (填写序号 A 或 B 或 C)

A. One B.Two C.Three

75.Give a proper title to the passage.

六、书面表达 (20 分)
