短文改错:

Now, more and more people like keep pets. Some
of them regard pets for one of their families. They say
that pets can bring them happy and comfort. I either
like pets. They are our friends. But I think it is good
for people to keep such many pets. Why? Because
too much pets may cause lots of problems. For
example, pets sometimes hurt child ; if there are too
many pets on the street, it will make the street
dirty. What's more, keeping pets may spend people
lots of time and money.
