 B.There aren't sports matches nearly every year.
 C.Sports are popular all over the world.
 D.Sports stars are very popular with students.

(C)

Baseball is one of the favorite sports in the USA. Children play baseball in sports fields or parks.

At summer picnic, there is often an informal baseball game. Boys and girls, young and old take turns to bat. There are nine players on each team.

The baseball season goes from April to September. During this time, baseball matches are showed on TV and members of the important baseball teams become America's heroes. At the end of the season, the two top teams play against each other, Many baseball fans go together to watch the game. Millions of others listen to the radio or watch the television. People seem to talk only about the game. Even long after it is over, they still talk about the result and the players.

American football is perhaps the most popular sport in the USA. The football season begins when the baseball season ends. More people are interested in football than baseball. When there is an important game, thousands of people sit beside radios or in front of television sets to get the result.

根据短文内容，选择正确答案。

 D. the baseball season in the USA

D

The English love sports. One of the most popular games in England is cricket (板球) .But cricket doesn't change much these years. For some parts of England, the eight months of the football season is more important than the four months of the cricket season.

Most middle schools have sports fields (场地).Boys usually play rugby (橄榄球) or football in winter and cricket in summer, while girls play tennis or baseball in summer and basketball or hockey (曲棍球) in winter. Boys seldom play basketball. The more popular grown-up (成人的) games are golf and tennis. A lot of people play them.

The British also like watching horse racing, but few show interest in bike racing. Britain is the home of many modem (现代的) popular sports.

根据短文内容，选择最佳答案。
