用括号中所给词的适当形式填空，使语篇意思完整，必要时请用否定式。(共 10 小题，每小题 1 分，满分 10 分)

Students these days often have a lot of worries. Sometimes they have 76 (problem) with their schoolwork, and sometimes with their friends. What can they do about this? Some people believe the 77 (bad) thing is to do nothing. They think talking to someone 78 (help) a lot. Unless we talk to someone about our worries, we 79 (feel) worse.

Laura once lost her wallet and she was afraid to tell her parents about it. She even walked three miles to school because she 80 (have) any money. She just 81 (keep) thinking, "If I tell my parents, they'll be angry!" In the end, she talked to her parents and they were really understanding. They got her a new wallet. "Don't forget 82 (share) your problems with others if you are in trouble!" Laura says.

Robert Hunt feels the same as Laura. He thinks we should try 83 (us) best to solve problems but not to run away from them. He believes the 84 (one) step is to find someone you trust to talk to. Students should remember their parents have more experience to help them. In English, we say that sharing a problem is like cutting it in half. So you're halfway to 85 (solve) a problem just by talking to someone about it!
