I can only get \$ 20 a week. And the amount I get is barely enough(勉强够) to go to the movies and buy popcorn.

I want more money. I know my parents are going to say "no", but it's not fair. I am 14, so I can't get a job yet. But I really need more money to spend time with my friends. I don't know how to make them understand me. Could you please help me?
