八、阅读理解 10%

(一) 根据短文内容选择正确答案，将其序号填入题前的括号内。

People are busy working every day, so they do not have enough time to do exercise. As a result, many people become too fat or too thin. To keep our bodies healthy, we have to do exercise every day.

There are many kinds of exercise. Bending and stretching help us move easily. Before we play ball games or swim, it is better for us to do bending and stretching exercise. This kind of exercise is sometimes called warm-up exercise.

Running is also a kind of good exercise. If we can't run fast, we can jog. Jogging means running slowly. Again, before we run or jog, we must do warm-up exercise. Also, we should not run or jog on busy streets. The air there is often dirty. Some people like weight lifting because it can make their bodies strong. Also, we need to do some warm-up exercise before weight lifting.

- ()1. _____ makes many people too fat or too thin.
- A. Eating or drinking too much B. Having no time to do exercise
- C. Doing more exercise D. Reading at home
- ()2. Before we _____, we must do warm-up exercise.
