Dear Maria,

I'm happy to get your letter. My birthday is on March 2nd. I'm a middle school student. I have ten subjects at school. They are Chinese, math, English, science, geography, history, music, art, computer and P.E. My favorite subject is computer. I think it's interesting and relaxing. I like English, too. But it's difficult for me. Can you help me with it? I like playing sports. And my favorite sport is ping-pong. I think it's really fun.

Please write to me soon.

Yours,

Li Ming
