Nowadays, people like to watch movies when they are free, because movies can make people feel relaxed. I like watching movies, too.

My favourite movie is Kung Fu Panda, because it is so interesting and meaningful. The leading character is a panda named Po. He was lazy at first. But he had a great dream—to be a kung fu master. He tried hard to study kung fu, and at last he made his dream come true. After watching it, I learn that we should keep working hard for our dream.

I hope everyone can watch good movies in their spare time.
