II. Read and choose. (每题 1 分, 共 10 分)

Once upon a time, there was a queen. She had a magic mirror. It could talk. One day, she asked the mirror, "Mirror, mirror, on the wall, who's the fairest of all?" "Snow White," answered the mirror.

The queen was very angry. She wanted to kill Snow White.

Snow White was afraid and ran away.

Snow White met seven little friends in the forest. She stayed with the them.

The next day, the queen asked the mirror again, "Mirror, mirror, on the wall, who's the fairest of all?" "Snow White in the forest," answered the mirror.

The queen was angry. She came to the forest and gave Snow White an apple.

Snow White tasted the apple and then fell asleep.

A prince came and saw Snow White. He kissed Snow White and she woke up.

They got married and lived together happily.
