IV、阅读理解(共15小题;每小题2分,满分30分)

(A)

A lot of people are crazy about doing shopping through the Internet now. Why is it so popular? There are many reasons. First, more and more people have their own mobile phones. It's possible for many of them to shop through the Internet. Second, people can spend less money buying things that they like. Third, people can buy things at home instead of going to the shop. It can save them much time. Because of these good facts, many people can't refuse it.

On the other hand, some people don't like this kind of way to do shopping. They can only see the pictures on the phone. They can't know the products well. People can't enjoy the pleasure of shopping in the large supermarkets or the wonderful shopping centers.

Do you like shopping through the Internet? What do you think of it?
阅读上面短文,根据其内容判断下列各小题的正误。正确的填(涂)A,错误的填(涂)B。
