My family rules

Hi! I'm Li Hua. I am a middle school student. In my family, there are some rules. I have to get up at six o'clock and be home by 6:30 p. m. on weekdays. What's more, I have to do my homework and can't watch TV or play computer games on school nights. I can't go to my friends' home. I should clean up my room and take out the rubbish. My parents don't allow me to stay up until 11:00 p. m. because they think I should get enough sleep.

Although I don't agree with some of the rules, I know my parents love me. So I always follow them. But I think I should be allowed to watch TV to relax myself.

Are there any rules in your family? Please tell me.

(W)Dear Jack,

I'm writing this letter to invite you to my birthday party next Saturday. We'll have the party at 7:00 p. m. at my home. You can come thirty minutes earlier so that we'll have time to take some photos. I know you are pretty good at playing the guitar, so can you play it at the party?

Different kinds of food will be served at the party, such as dumplings, hamburgers and sushi. You can also enjoy cakes and ice cream after meal. If you have any question, please call me at 8379627.

I'm looking forward to your coming!

Yours,
Lucy
