##### Passage 1

Audio digital books (有声图书) are becoming more and more popular these years. One of the reasons for this is that audio digital books can be "read" in many places comfortably.

The first favorite place for many people is in bed, before going to sleep. Many people like to just lie in bed in the dark before they fall asleep at night. This would be the perfect(最好的) time to listen to an audio digital book. If you read an ordinary book, the lights have to be turned on and you have to turn the pages with your hand. An audio book can just be listened to while a person stays comfortably in bed.

The next favorite place for many people to listen to audio digital books would be in the kitchen. For some people kitchen chores are boring. Audio digital books provide good entertainment(娱乐), and people don't need to turn pages.

An audio digital book is a favorite while a person is gardening(园艺). They can help take a person's mind off job at hand. It can be fun and exciting to do gardening with the help of these books.

An audio digital book is a favorite while a person is exercising. It allows the mind to be free while the legs, body and arms are kept busy. This would be a great place to listen to these books.

## Passage2

When on the ground, the Paravelo is a common bike with a trailer(挂车)and a fan(风扇). But in fact, it is a flying bike. If you like, it can take you up to about 1, 200 metres high and it can reach a speed of 40 kilometres per hour.

John Fode and Yannick Read from Britain invented the Paravelo—the world's first flying bike. They spent two years making it. They believe their flying bike will change the way people travel for work, leisure(休闲)and adventure(冒险). The Paravelo has a GPS, and you don't need a pilot's license to fly it. It also can be folded and put in a small place.

Mr. Read said, "If you want an adventure, but have no money for a helicopter, then the Paravelo is for you. It just costs £ 10, 000, the same as a small family car."

The Paravelo uses bio-fuel and makes no pollution. What's more, it has a tent inside its body, and you can go camping everywhere. Cool!

Learning a new language is never easy .If you wish to learn a new language efficiently, here are some tips(建议)from four language learners that may help.

**Singing in the Shower .** Maria believes one of the most pleasant ways to practice a new language is to sing your favorite songs while you 're taking a shower. After that, you can take a look at the lyrics to see if you've missed any words. However, remember not to waste too much water !

**Don't Worry about Mistakes !**In Lee's opinion, you shouldn't worry too much about mistakes. It's a part of learning a new language and you'll learn much more quickly by having a try at speaking than by saying nothing. It's really OK if you don't get it exactly right .

**Talk to Your Animal Friends.** Keith suggests it is an excellent way to talk to animal friends. For him, he usually talks to his pets in other languages and gives them a common name in that language .

**Record Your Voice.** Shinn's advice is to listen to the tapes made by a native speaker read the same tapes and record the voice. Then listen to both of them carefully to find out the differences and the weak points in your pronunciation. It's a great way to improve your speaking skills .

**A Perfect Holiday**

Winter holiday is coming. I have many things to do. First, I'll finish my homework. As a student, study must come first. Second, I'll do some reading. I like reading novels, but I'm busy doing my homework on school days. Third, I'll do some sightseeing. I'll go to Sanya to swim in the sea. I'll make some sand animals on the beach. I think I can learn a lot from travelling. This is my perfect holiday. I'm looking forward to it.
