第三部分 综合运用

十、看图读短文,根据短文内容给图片重新排序,将其标号写在括号内。(第一幅图片已选定)

We live on the earth. The earth gives us air, food and water. But the earth is sick.

Look at the water. What do you see? There are many plastic bags. There are many cans. There are many bottles. The water is dirty.

Look at the roads. What do you see? There is a lot of smoke. There are many buses, cars and taxis.

Look at the picture. What do you see? There is a monkey. There are no trees.

Don't worry! We can help the earth feel better. Put cans in the first trashcan. Put plastic bottles in the second trashcan. Put old newspapers in the third trashcan.

We can also take a bus or walk to school. It's important to plant more trees. We

have only one earth. Everyone should do something for our earth home. I'm sure it will be better.
