Some members of an International Voluntary Organization (国际志愿组织) arrived at a small village of an African country.

The villagers lived in small houses, which were built with wood and leaves. There was no school or hospital. The villagers didn't know how to grow crops. They only went to kill some wild animals and pick some fruits in the mountains as their food. The volunteers(志愿者) came here to help the village kids. They brought with them many textbooks and some medicine(药物). They taught the kids how to play volleyball and also tried to learn their language so that they could talk with the kids better.

Because of their hard work, the International Voluntary Organization gave the villagers the money to carry electricity(电) to the village. When the lights in every house were shining, the villagers were very excited. They called them "the little suns". Then, they held a party to choose some lucky men who would invite the volunteers to go to their homes to see the beautiful night together with their families.

It was a fine day. People at the railway station were waiting for the train to arrive. The train was coming in. Everyone waited there to get into the train. A group of young men made loud noise to welcome the train. The empty seats were nearly filled and the train was ready to move. Just then, an old man with a little boy of 10 years old came to catch the train. As soon as they entered the train, the train started to move. They had their seats just next to the young group.

The little boy was as so surprised to see everything "Dad, the train is moving and the things are moving backwards out of the window!" he shouted at his father. A fruit seller went past selling apples. His father later bought him some apples "Oh, the apple looks much sweeter than it tastes." the little boy said. "Is your son having any problem? Why is he so different?" one of the young men asked. Another young man made fun of him. "His son is mad, I think!" he shouted. "My son was born blind. Only a few days ago, he had an operation. This is the first time for him to see things in his life." the father of the little boy replied with patience. The young group became very quiet and said sorry to the father and son.

C

Inventions make our life better, smarter and a bit more fun. TIME magazine in the US just listed the 100 best inventions of the year 2021. What are they? Let's take a look!

PURRRBLE

When you feel angry or unhappy, what do you do about it? Purrble can help you calm down. That's why Purrble was born. As you hold and pet (抚摸) it, its heartbeat slows. And it makes a sound like a cat. It sounds like it really enjoys your touch! By petting Purrble, you will get to know your own feelings and learn how to feel calm yourself.

TUCHONG

Pasta (意大利面) is a popular food around the world. But sometimes you may find it hard to get pasta onto your fork. It's also difficult to keep the sauce (酱) on your pasta. Dan Pashman is a foodie from the US. To solve these problems, he created his dream pasta, called Cascatelli. Cascatelli is a special pasta with a half-tube (半筒型) shape and big ruffles (褶皱). Bigger ruffles help it catch sauce. And you can easily get it onto your fork because it's longer.

PAPER SHOOT

Paper Shoot is a camera and it's made mostly out of paper! The camera is about 1.2 centimeters thick and 10 centimeters long. You can take it around easily and catch the fun moments of your life. To get Paper Shoot to work, you only need two batteries (电池) and can store 800 pictures. But be careful when you take photos on rainy days. Don't get it wet!

- () 21. What can we learn about Purrble?
- A. It feels angry all the time. B. It is a popular cat.
C. It can feel people's heartbeats. D. It helps people calm down.
- () 22. What does the word "foodie" mean?
- A. 美食家 B. 食物 C. 东西 D. 蔬菜
- () 23. What is special about Cascatelli?
- A. People can eat it without a fork.
B. It has big ruffles and a half-tube shape.
C. Dan Pashman dreamed of it in his sleep.
D. It comes in the shapes of different letters.
- () 24. To get Paper Shoot to work, we should ____.
- A. cover it with paper B. add a screen to it
C. have two batteries(电池) D. take it into the rain
- () 25. Which word best describes these inventions?
- A. similar(相同的) B. boring C. useful D. Expensive(昂贵的)

第二节 阅读填空(共5分, 每小题1分)

阅读短文及支后选项, 选出可以填入空白处的最佳选项。(其中有一项为多余项)

- A. Get some rest
B. Eat healthy food
C. Talk to a friend you trust

- D. Here are some ways for you to beat the winter blues
 E. Getting more sunlight each day can help you feel better
 F. So I don't like winter at all

Beating the Winter Blues

Does your mood change with the seasons?

Some people find that when the temperature goes down, so do their spirits. Those people sometimes feel sad for no reason. They eat more and put on weight. They have trouble sleeping. They can't think clearly. This is the winter blues. 26. _____

Get out in the sun. Some experts say that the winter blues happens because we get less sunlight in the winter than we do in other seasons. They say that the decrease (减少) in sunlight can make us feel sad. 27. _____

Get some exercise. Taking a walk or doing some exercise will make chemicals (化学物质) called endorphins in your body. Endorphins are natural "feel good" chemicals.

28. _____. Avoid having too much sugar. If you prefer sweet food, like cookies or candy, it may be a sign that you need more protein, like meat, chicken, or fish.

Reduce stress. Cut back if you have too many things to do? Make sure you have some quiet time to yourself. 29. _____ Don't be so busy that you get run down.

Get help. If you feel sad all the time and the feeling won't go away, you may have a bigger problem than the winter blues. 30. _____, or get help from a doctor.

第三节 信息匹配

根据相关信息, 从 A--F 六个选项中选出五个填入与之相关的空白处

- A. Helping poor families
- B. Helping the disabled
- C. Helping during the holiday
- D. Helping your old neighbors
- E. Doing the hospital work
- F. Helping the homeless

Here are some ideas for you on how to help others through volunteering.

31. _____

When people get older, it becomes harder to do many things, from walking to the store to doing the housework. Old people living alone can also feel lonely. As a volunteer, you can do a lot to help the old in your neighborhood (邻居). You could

visit them and help them with their housework.

32 _____

Many people with disability need help. You could volunteer(自愿帮忙) to read books to the blind or deliver(递送) something for people who can't get around too well.

33 _____

There are lots of volunteer jobs to do in hospitals and health care centers. As a volunteer, you can make beds, deliver flowers and gifts, help serve meals, and do lots of other important jobs.

34 _____

Some families don't have enough money to buy food and clothes for their kids. Some people don't have place to live at all. To help these people as a volunteer, you can give clothes, food or money to or raise money for a charity.

35 _____

Sometimes people need more help when the holidays come. Holidays are happy, but for people who are alone or unlucky, they can be a lonely, hard time. As a volunteer, you can deliver holiday dinners to less lucky people, visit the lonely old people and serve food to the homeless.

10 月 16 日，神州十三号载人飞船成功发射。这正是激发同学们学科学，用科学的好时机。因此，你所在学校本周六准备组织学生参观深圳科学技术馆。假如你是李华，需要你通知因事缺勤的 Betty 参加。请你用英语写一封电子邮件告知她相应的信息。

提示：1、周六上午八点在学校门口集合，乘坐学校大巴前往去；

2、在科技馆的活动：参观先进的科技展品 (exhibits)；做一项科学实验 (experiment)；补充一项你感兴趣的活动

3、给 Betty 的建议：穿运动鞋 (sneaker)；带笔记本。

Dear Betty,

We are going to the Shenzhen Science and Technology Museum.

Yours,

Lihua
