## D

Hi! My name's Ernie. I'm 13 years old and I go to a middle school.

Here I want to talk about my classroom. It is small, but new and nice. There are big windows so there is a lot of light. There is a table for the teacher and 12 desks for the students. Two students share (合用) one desk. There is a blackboard on the wall (墙). On the other walls there are some pictures of animals — elephants, bears and horses. There are also two maps here. One is a map of Great Britain and the other is a map of Europe (欧洲). There are four computers in my classroom. I sit in Row One and share a desk with Linda. She is my new classmate and my best friend, too.

## E

I'm Sara. I'm a middle school student. At school, we have nine subjects — math, English, Chinese, science, geography, history, art, P.E. and music. My mother is a Chinese teacher and she says Chinese is beautiful and important (重要的). I like Chinese. I always read Chinese books before I go to bed. I also like history. It is my favorite subject. Mr. Brown is great fun. In his history class, I can learn many interesting stories.

Mr. Green is my math teacher. He says math is useful and interesting, but I think it is boring. My science teacher, Mrs. Smith, is nice. I listen to (听) her carefully (认真地) in class. But I can't do well in the science exam (考试). I don't know why. This subject is really difficult for me.

We always have art, P.E. or music in the afternoon. For me, the classes in the afternoon are fun and relaxing. In P.E. class, I like to play ping-pong with my P.E. teacher. Mrs. Miller plays very well.
