X. One possible version:

My Good Friend

Hello, everyone. I'm Li Hua. I would like to introduce my good friend Tony to you.

Tony likes singing and dancing. His favorite sport is playing football. He likes healthy food, like vegetables and fruits. He doesn't like cola because he thinks it is not good for health. He is interested in Chinese history and he often plays basketball with me. After he finishes his homework in the evening, he likes reading and listening to music.
