Here, a reporter is interviewing the 12-year-old singer, Mara Justine, who's one of the youngest performers in *America's Got Talent*.

Reporter: Why did you choose *America's Got Talent* instead of one of the other TV talent shows?

Mara: Well, *America's Got Talent* actually called me because I had **auditioned** before, when I was 9 or 10. I guess they looked over those videos. They asked me to audition again.

Reporter: How do you feel to be one of the youngest people in the show?

Mara: There are a lot of other people with more experience, but I just try to do my best. I always go onto the stage with good thoughts, never bad thoughts.

Reporter: Who is your role model or idol(偶像)? What inspires you?

Mara: For singing, my idols are Aretha Franklin and Christina Aguilera, but a role model to me would be my mom. I love her with all my heart—she encourages me to believe in(相信) my dreams.

Reporter: What are your other hobbies?

Mara: I love playing video games, and I usually go to the park with my family. We usually play basketball. We also like to play tennis!

第四节 书面表达 (本题 15 分)

Life in the Future

What do you think life in the future will be like?

Every family will have computers and robots. Computers will help us know a lot all over the world. Robots will help us do most of the housework. They can help us do some cleaning, cooking or washing. We can do some shopping and see a doctor without going out. Students can study at home on computers. People will live to be 200 years old because of the better medical care.

Our life will be better and better. For this, we should study hard. I believe we'll be able to do this.
