Everyone needs friends. We all like to feel close to someone. 31 is nice to have a friend to talk, laugh, and do things with. Certainly, sometimes we need to be alone. We don't always want people 32. But we would feel lonely if we 33 had a friend.

No two people are 34. Friends 35 don't get on well. That doesn't mean that they no longer like each other. Most of the time they will make up and become friends again.

Sometimes friends move away. Then we feel very 36. We miss them very much, but we can 37 them and write to them. Maybe we will see them again. And we can 38 new friends. It is surprising to find out how much we like new people when we get to know them.

There's more good news for people who have friends. They live longer than people who don't. Why? Because they are 39. Being happy helps you stay well. Or it is because you know that someone cares about you. If so , you take 40 care of yourself.

第三节 回答问题 阅读短文, 然后根据短文内容简要回答问题(共 5 小题, 计 10 分)

Last week we went to the countryside to have a picnic. We bought some sandwiches, fruits and water for lunch. We started out quite early before there was too much traffic. After two hours' driving, we came to a nice place. It was at the foot of a hill and near a river, with some large trees beside it. As it was a very hot day, we parked the car under a large tree and went for a swim in the river. The water was refreshing. After having a swim we had lunch in the cool shade under the trees.

Then we went for a walk. We saw some beautiful birds and butterflies. After walking for about an hour we returned to the car. However, we couldn't get the car started. Finally we had to push the car off the road and wait for help. Of course, the car's breaking down spoiled(破坏) our picnic in the end!

- 61. When did they go to the countryside?
- 62. How long did it take them to get to the foot of the hill?
- 63. How was the weather that day?
- 64. What did they see when they went for a walk?
- 65. Why did they have to push the car off the road?
