Many children like to go hiking(徒步旅行). Why? Because they can be free from school and their homework. They can also enjoy beautiful nature, play with friends or family. If you want to have a happy hike, you must pay attention to the following:

First, find a good day. Fine weather is the most important for a happy hike. If the weather is good, you can do a lot of things, like riding horses, going bike riding, swimming in the river, flying kites and playing ball games.

Second, go with the people you like. If you go hiking with the people you don't like, you won't have a great time. So, find the person who has the same interest as you.

Third, find the right place. Different people have different ideas about the places. For me, I would like to go to the beach for a hike. I like to walk along the beach, listening to the sound of the sea and watch children playing.

Lastly, think of what you need to prepare before going hiking. To have a nice hike, you must have comfortable shoes, enough water and some food. Now you can go hiking!

- ( ) 56. Why do children like to go hiking?  
A. Because they can learn more things.  
B. Because they can make more friends.  
C. Because they can enjoy beautiful nature.  
D. Because they don't need to stay at home
- ( ) 57. Which of the following is NOT the writer's idea about a happy hike?  
A. You should go hiking with different people.  
B. A pair of comfortable shoes must be prepared.  
C. Enough water and some food is very important.  
D. You should go hiking when the weather is fine.
- ( ) 58. Where does the writer probably go for a walk?  
A. To the farm. B. To the park  
C. To the beach. D. To the mountain.
- ( ) 59. How many points must you pay attention to for a happy hike?

- A. One. B. Two. C. Three. D. Four.
- ( ) 60. Why does the writer think fine weather is important for a happy walk?  
A. Because you can swim in the river.  
B. Because you can take photos in beautiful nature.  
C. Because hiking in fine weather is safer than hiking in bad weather.  
D. Because you can do lots of things you like.

A. 回答问题 (共 5 小题, 每小题 2 分, 共 10 分)

阅读下面的短文, 根据所提供的信息, 回答后面的问题。

Three days ago, Tom, one of my classmates bought some food from a supermarket. He bought some beef, pork, chicken, fruit and vegetables. Because it was his fifteenth birthday, and he wanted to have a big party at home. He invited most of his classmates to share the food together. But after they had the food, all of them didn't feel well. They got poisoned(中毒) and had a stomachache.

Then they were sent to the nearby hospital at once. The doctor there looked them over carefully, and then said the food they ate were poisonous. The doctor gave them some injections(打针) and some medicine for them to take at home. They were out of danger at last. But it was very dangerous. If they weren't sent to the hospital in time, they would have had the danger of dying.

From this accident they realized the importance of food safety. I hope all of us can pay more attention to it. If everyone can do something, there will be fewer food safety problems in our society. And I think the government should do something to solve the problem, too.

76. When did Tom buy the food from the supermarket?

77. What did Tom buy from the supermarket?

78. Why did Tom buy so much food?

79. Why were they sent to the nearby hospital at once after they had the food?

80. What did they realize from the accident?
