B

Many people like to travel by plane because it is fast, but I don't. An airport(机场) is usually far from the city. You have to get there early and wait for hours for the plane to take off and it's often late. You can't open the windows. You can't choose(选择) the food. Planes are fast, but it still takes hours to get out of the airport and into the city.

I like traveling by train. I think trains are safe. Railway stations are usually in cities. When you are late for a train, you can catch another one. You can walk around in the train and open the windows. You can see many interesting things on your way. I know it takes a little more time.

I also like cars. You can start your journey when you want to, and you don't need to get to a railway station or a bus stop. Also you can carry many things with you in a car. But sometimes there are too many cars on the roads.

51. ()Why do many people like to travel by plane?

- A. Because it is fast. B. Because you can walk around in the plane.
- C. Because you can open the door. D. Because it is safe.

52. ()Where is an airport according to the passage?

- A. It's usually far from the city. B. It's usually in a big city.
- C. It's usually near the city. D. It's usually around the city.

53. ()Which of the following sentences is TRUE?

- A. You can choose food on the plane. B. You can open the windows on the plane.
- C. You can open the windows on the train. D. Trains are not safe.

54. ()Which is NOT the advantage(优点) about the train?

- A. It is safe. B. It takes a little more time.
- C. You can open the windows. D. You can see many funny things.

55. ()If you take a car, you don't need to _____.

- A. take money B. get up early
- C. carry many things D. get to a railway station
