Bikes and cars are very important. Many Chinese people have cars now, but lots of Chinese people still like to ride bikes. Do you know why?

We all know that the bike can't go quickly, but it's easy for people to buy and ride it. As for the car, it needs too much money.

Most Americans live far from the center of cities or their working places. So they need cars to go shopping or go to work every day.

Many Chinese people live near their working places, so they don't need cars to go to work. And it's good for the environment if people stop driving. So there is a day called "No-Car Day" on September 22nd every year.

For me, I like to go to school by bike. It is easy and healthy.

56. It's good for the environment if people go to work _____.
A、 by car B、 by bike C、 by bus D、 by taxi

57. Why do lots of Chinese like to ride bikes?
A、 Because it can go quickly.
B、 Because it is easy to buy and ride it.
C、 Because it needs too much money.
D、 Because riding bikes is *comfortable* (舒服的).

58. What does the underlined word "environment" mean in the passage?
A、 城市 B、 道路 C、 身体 D、 环境

59. What two things does the passage talk about?
A、 Bikes and cars. B、 Bikes and buses.
C、 Cars and buses. D、 Bikes and trains.

60. Why do most Americans need cars to go shopping or go to work every day?
A、 Because they like to drive cars.
B、 Because they don't have bikes in America.
C、 Because it's easy and healthy.
D、 Because they live far from the center of cities or their working places.

Dear Helen,

I'm happy our school swimming pool is open now. Here are some rules. We can only go swimming from 5:00 p.m. to 9:30 p.m. from Monday to Friday. We must remember to take a shower before swimming and to wear our swimming cap. We mustn't run! Also, we can't eat or drink in the pool. All of us need to follow the rules and we must help keep the pool clean.

Yours,Liu Hui
