We feel safe (安全的) in our comfort zone and don't want to change (改变). So it's not easy to do new things or difficult things. However, we all need to get out of our comfort zone.

To get out of our comfort zone, we can do something a little different each day. We can get up earlier than before or take a different road to work or school. We can also do some difficult things. For example, we may be shy. ▲.

Hi. I'm Dino, the family dog. I help to keep people safe, especially (尤其是) on the roads. Now, take a look at my diary to see what I do.

### Sunday

Some children really don't think. A boy runs in front of a car to get his ball. The car almost hits him. Don't worry. He is OK because I save (拯救) him. Remember, always look and listen.
