## B

Do you want to have your own garden? Work with your mum or dad and you can grow your own fruit and vegetables at home. Here are some suggestions(建议).

### **Pick a place for the garden**

You will need help from your mum and dad. They can help you decide where to build your garden. It can be a small one, but make sure your garden gets lots of sunlight!

### **Plant your seeds**

Dig small holes in the dirt(松土), drop a few seeds in and then cover the holes with dirt. Don't drop too many. Because they will have no place to grow well.

### **Water your plants**

Make sure you give a bit of water to make the dirt not too dry, but don't use too much or you'll drown(淹死)your plants.

### **Pick the fruit and vegetables**

Your plants start to grow, then you will get fruit and vegetables. You can wash some and then eat them right away, or you may want to use some to make a very **unusual** dinner. Why not have a new try? Ask your parents for help in the kitchen and you can make a meal with the food you grow.

Growing your own fruit and vegetables at home is great fun.
