 D. Why people have pancake races.

D

A 6-year-old girl named Jane is by the river. She isn't happy because she has no friends. One day when she's walking in the forest, she finds a small white rabbit in a trap (陷阱). The rabbit is afraid and tries to run away from the trap, but it can't make it. Jane goes to help the rabbit, and then it becomes a fairy (变成一位仙女). Jane is very surprised.

"My name is Lily. Thanks for saving me. I can make any of your dreams come true," says the fairy. Jane thinks about it and then says, "I want to be happy!" The fairy says, "OK!" Then the fairy tells Jane how to be happy, and Jane does as the fairy says.

Jane always helps people from then on. She makes many friends and she's happy every day. People ask her why. She always says, "I meet a fairy and she tells me to help people in need."

66. The rabbit wants to run away because it's in danger in the trap.
67. Who is Lily according to the passage?
68. What does the passage want to tell us?

When Daniel Seddiqui was 26, he traveled (旅行) around America for a year. He visited all 50 states and worked for a week in each one. He didn't use buses or planes. He traveled by car from job to job. Hotels were too expensive for him. At night, he usually stayed in his boss' (老板的) home, or with one of the other workers. "People treat (对待) me well," said Daniel. "They were very nice to me."

But why did Daniel do this? "I wanted to learn about my country," he said. "And I wanted to try lots of different jobs." Things weren't always easy for Daniel. In Week 7, he worked as a farmer in Nebraska. "These days was a long time and I got really dirty," he said. In Week 38, he worked as a cook in a fish restaurant in Maryland. "The job was boring. And often I didn't have time to drink water." Other jobs were fun. He worked as a model in North Carolina. In Alaska, he was a photographer (摄影师). "That was interesting. Alaska is a very beautiful place," said Daniel.

69. How did Daniel travel from one state to another?
70. What was Daniel's job in Nebraska?
71. What did Daniel think of his job in Alaska?
72. What's the best title for the passage?

John Allen, 43, is a plant scientist (植物科学家). He has two daughters and two sons. Because of his job, he and his family live in the South American rainforest. Their "house" is a group of tents near the River Orinoco in Venezuela.

John's children don't go to school because John's wife (妻子) teaches them at home

(John's wife was a school teacher before).

John's children don't know how to play computer games, but they can all drive, even his 9-year-old son, Simon. At night the children drive their car 50 meters from the kitchen tent to the bedroom tent because there are a lot of wild (野生的) animals in the area. In the daytime, they spend their free time playing and reading books. In the evening, they listen to the news on the radio.

In the summer the children's friends from London come to visit. When they go home, they tell their parents stories of their vacations in the Venezuelan rainforest.

73. How do John's children go from the kitchen tent to the bedroom tent? (不超过 5 个词)
74. What do John's children do in their free time in the daytime? (不超过 5 个词)
75. Who comes to visit John's family in the summer? (不超过 5 个词)
