书面表达:

Last Saturday we had a great school trip. We went to
Sunshine Farm by bike. In the morning, we milked cows
and fed chickens. We also went to the field to pick some
fresh vegetables. It was interesting. In the afternoon, we
went for a walk on the farm. We talked with the farmer
and he told us something about his farm.

We learned a lot about farming, and we had a great
time on the farm. We were tired but happy.
