同学们: 你们好!

现在是 2022 年初中毕业暨升学考试英语听力测试试音时间。现在开始试听。

M: Hello. International Friends Club. Can I help you ?

W: Oh, hello. I read about your club in the paper today and I thought I'd phone to find out a bit more.

M: Yes, certainly, well, we're a sort of social club for people from different countries. It's quite a new club—we have about 50 members at the moment, but we're growing all the time.

W: That sounds interesting. I'm British actually, and I came to Washington about three months ago. I'm looking for ways to meet people. Er, what kinds of events do you organize ?

M: Well, we have social get-togethers, and sports events, and we also have language evenings.

W: Could you tell me something about the language evenings ?

M: Yes. Every day except Thursday we have a language evening. People can come and practise their languages—you know, over a drink or something. We have different languages on different evenings. Monday—Spanish; Tuesday—Italian; Wednesday—German; and Friday—French. On Thursday we usually have a meal in restaurant for anyone who wants to come.

W: Well, that sounds great. I really need to practise my French.

M: OK. Well, if you can just give me your name and address, I'll send you the form and some more information. If you join now you can have the first month free.

One possible version:

Mary went to the zoo with her mother on a lovely Sunday afternoon. The zoo was crowded with visitors. Near the gate of the zoo stood two pretty giraffes. Mary had never seen such amazing animals before. She was so interested in the animals that she looked at every small movement of them carefully. After a while, she wanted to tell her mother what she'd found about these animals. However, she noticed there's no one around. She was afraid and worried, but she remembered that her mother told her not to move when being lost. So she waited for her mother just at the gate of the zoo. Soon after, she saw her mother walking to the gate anxiously. When seeing her mother, Mary was happy and ran to her mother.
