A 篇. 阅读各地区学生对“双减”政策的看法, 选择正确的选项。

Hi, everyone! What do you think of "Double Reduction(双减)"? Can you say something about it?

Wu Chenxi, 12, Hangzhou

I have got more time to read my favourite books. More and more students like art. I like drawing but I'm not very good at it. So I want to learn it well.

Zhao Yike, 13, Shanghai

The "Double Reduction" really helps me. We have less(更少的) homework now. And we can finish it at school. There were more tests before, but now there is one test a term(学期). I'm so happy.

Li Wei, 13, Beijing

We have more free time now. And I can do more exercise after school. I often play football with my friends on the weekend. It is really interesting! Sometimes I clean my room at home.

Lin Hao, 12, Wenzhou

I like "Double Reduction", because we have more interesting classes now. We can learn a lot of things in "the Second Class" at school. For example, *Guzheng*, cooking, badminton and so on. I like Coding Class best, I can design(设计) a lot of games with the computer. That's fun. I have more time to do what I really like to do!

- () 56. --What is Wu Chenxi's hobby? -- Her hobby is _____.
A. playing sports B. cooking C. drawing
- () 57. --What happens to Zhao Yike with the "Double Reduction"? -- _____.
A. She has no homework and tests now.
B. She has less homework now.
C. She finishes homework at home.
- () 58. --What does Li Wei often do on the weekend? --He often _____.
A. has an English class B. plays football with his friends C. cleans his room
- () 59. "I like **Coding Class** best," **Coding Class** means _____.
A. 编程课 B. 乐高课 C. 航模课
- () 60. --What's this passage(文章) about? -- It is about _____.
A. the Second Class
B. hobbies
C. changes in students' life after the "Double Reduction"

B 篇. 阅读 Willow School 校报的“未来科技产品畅想”版面，选择正确的选项。

65. _____ (Title)

Many kids have fun ideas about our life in the future. Maybe people will make these things one day.

Magic sofa

Let's have a look first, go, go, go!

This sofa is cool. It can talk to me. It can play music, too. When I feel tired and want to sleep, it will play light music to help me fall asleep quickly. This is the sleeping mode(模式). When I'm reading a book on it, it will get into reading mode.

63.

Smart classroom

These glasses don't look special. They also have two pieces of glasses. But they are different. They're not only short-sighted(近视) glasses but also a camera(相机) and a telescope(望远镜). If I want to see something far away, touch the glass on the right side, it will make the things far away bigger. If I want to take a photo, just touch the glass on the left side and blink(眨) my eyes.

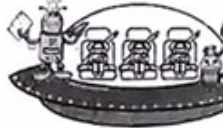

Super glasses

63.

Smart classroom

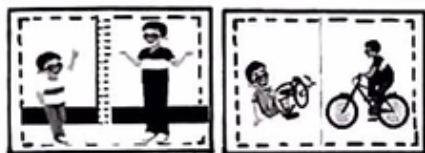

This smart(智能的) classroom looks like a spaceship(宇宙飞船). There is no blackboard or teachers in it. But there are some robots. They can answer any questions. With their help, learning is really easy. What's more, every student has a flying chair. When we press a button(按下按钮) on it, we can travel between home and school. My parents don't need to get up early and drive me to school again.

- () 61. --How does the magic sofa help us fall asleep? It will _____.
A. talk to us B. get into reading mode C. play light music
- () 62. --If I want to see something far away with my super glasses. What should I do? _____.
