One Possible Version,

Hi Alan,

I'm so happy to get your email saying that you're coming to visit us next week. Since you are going on a long flight, I suggest you make a list of things you take. It is a bit hot in summer here. So you can take T-shirts and sunglasses with you. Do you hate that feeling when you can't find what you're looking for in your bag? Me too! Placing small bags inside big bags is the best solution.

I think it's a good idea to go to some places of interest together, such as the Palace Museum and the Great Wall. You will learn a lot about Chinese culture and history. As for the souvenir, I like collecting postcards and books from different places. Do you have any postcards of Tower Bridge? That would suit me fine. Thanks!

I'm really looking forward to meeting you!
