Hi, Mike! This is Peter speaking.

This morning I received a telephone call from my parents, who are both over seventy. They told me that there was a big rainstorm at my home village and their house was broken. As the only son of my parents, I should be back to help them to get over these difficulties. So I will have to stay there from June 23 to 27.

Though I cannot stay at home for too long a time, I should at least help with the repair work. I believe my relatives in the village and my neighbors will also come to help.

I hope you won't worry about me when you get this message.
