Is it difficult for you to get up in the morning? Harry's bed will help you work out the problem! Here is how it works. The bed is connected (连接) to an alarm clock. First, the alarm clock rings. You have a few minutes to wake up. Next, a radio in Harry's bed plays a recording (录音) of his girlfriend. She speaks in a soft voice, "Wake up, darling, please." After 5 minutes, Harry hears a recording of his boss. His boss shouts, "Wake up at once, or you'll be late!"

If you still don't get up after the second recording, a machine-like "foot" in the bed will kick (踢) you in the head. The bed waits a few more minutes. What! You're still in bed! Slowly the top of the bed goes up higher and higher. The foot of the bed goes lower and lower. Finally you slide (滑) off the bed and onto the floor. You are out of bed awake!

Harry's bed is not in stores now. There is only one bed — the bed Harry made for a competition. If a company makes Harry's beds and sells them in stores, more people can buy them. Then Harry will be rich. If the bed makes Harry rich, he doesn't need to work, and he doesn't need to get up early!

44. If you \_\_\_\_\_, Harry's bed can help you.

- A. can't sleep well
- B. can't get up early
- C. can get up early
- D. go to bed late

45. What will finally (最后) happen to Harry if he doesn't get up?

- A. He will slide onto the floor.
- B. A radio will play a recording of his boss.
- C. A machine-like "foot" will kick him in the head.
- D. He will still sleep on the bed.

46. According to the passage, which of the following sentences is **TRUE**?

- A. People can buy Harry's bed in any store now.
- B. A company bought Harry's bed and made a lot of them.
- C. Harry's bed is the only one made for a competition.
- D. Harry made a lot of money from selling the beds.

47. The best title for the passage is \_\_\_\_\_.

- A. Getting up Early
- B. Harry's Bed
- C. Harry's Story
- D. Future Beds

## C

When Jane was a little girl, she liked keeping pets. She had many books about animals and there were many pictures on the walls of her bedroom. She often said that she would work in a zoo when she grew up.

Most of Jane's pets were quite small — cats, dogs and so on. \_\_\_\_\_ That afternoon, Jane's mother was surprised to see a big animal with long hair in the kitchen. He wore a T-shirt and was sitting on a chair, trying to put on a pair of glasses and making faces (做鬼脸) at her. In front of him, on the table, were a basket of fruits and a glass of water. "Jane, where are you?" the mother shouted. Then suddenly she remembered that a few days ago a young gorilla (大猩猩) called Gor ran away from the zoo.

"I found him in the city center," Jane said. "He looked so lonely. I talked to him. We became friends at once and he followed me home."

"Well, you know you can't keep him," her mother said, "You must send him back to the zoo. Phone the police now."

Soon a policeman came and also a truck (卡车) from the zoo. Nobody was angry with Jane when she told her story. The policeman knew Jane loved animals. And the zookeeper said, "Thank you for your kindness. I can see Gor likes you, but we need him back." Jane agreed. She hugged Gor and said that she would go and see him at weekends.

These days Jane stops collecting animals, but you can still find her with her friend Gor at the zoo on Saturdays and Sundays!

48. From the passage, we learn that Gor is \_\_\_\_\_.

- A. the zoo has only one gorilla  
B. Jane usually visits Gor on weekdays  
C. Jane is a very friendly and helpful girl  
D. Jane keeps a lot of animal pictures at home

51. Which sentence can be put in the \_\_\_\_\_ in Paragraph 2?

- A. And these animals are really cute.  
B. But one day she met something quite big.  
C. Jane takes good care of the small animals.

D. Then something awful happened.

## D

I was so happy that our family got away from the cold winter in Beijing for a week. When we arrived in Bali, we could feel the warm weather picking us up. In January, Bali is full of visitors from other countries looking for a warmer climate. The temperature (温度) is around 32°C or 33°C every day.

On our first day in Bali the weather was sunny. We put on our swimming clothes and went to the beach. My wife and I sunbathed while our children went swimming. We lay on the beach under the beautiful clear sky drinking mango juice and eating bananas. We felt like we were in heaven (天堂)! In the afternoon we visited an art museum where we saw Balinese art and dance. On our second day in Bali, the weather was a little cloudy and windy, so we traveled around the island by bus. We saw many beautiful lakes, mountains, and villages.

Then we planned to go out on a boat tour around the island but we didn't make it because when we got up and looked out of the window, we saw a storm coming. At 10:00 a.m., the sky became very dark and suddenly there was a heavy rain. So we locked (锁) ourselves inside the hotel all day and I think it's hard to find a place with perfect weather, but we had great fun with our family!

Tracy was always hard-working and creative (有创造性的). She started a website called TEAM for girls with the help of her family, friends and her computer teacher. TEAM now has 10 million visits every month.

When she was ten, Tracy drew four girl characters (人物) and they are good friends. She called them "TEAM". It means "Together Everyone Achieves (实现) More."

At that time, Tracy wanted a safe and warm site for girls, but she couldn't find one. So she decided to start one herself.

At first, she made a small website. "There was a homepage (主页) and it had the four characters and simple flash animations (动画)," Tracy says. "It was very, very simple (简单的), but it was a start."

Now it is a heaven (天堂) for millions of girls. Girls can help each other with homework here. And they can also talk about fashion, dancing and singing stars. They feel free and comfortable. They have made their life very interesting and exciting.

"I can learn so much about the world," Tracy says. The goal (目标) for the site was, and still is, to help young girls to believe in themselves.
