China is a country with a long history and special culture, so there are many tapes of costumes in Chinese history, such as cheongsan, Chinese Tang costume and Zhongshan costume. They are very famous and popular in the world. Nowadays, more and more people begin to pay attention to another costume—Hanfu.

Hanfu, or Han Chinese clothing is the traditional clothing of the Han people. It has a history of more than three thousand years. The Han people regarded it as a very important part of their culture. It was said that the first person to wear Hanfu was Huangdi. His wife was said to be the first to know how to make silk Hanfu.

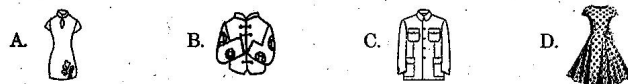

Hanfu changed as the time went by. However, it still keeps its own styles and its main characteristic(特点). For example, there are two parts overlapped(交叠) on the front. People call it "Jiao Ling". On the other hand, people usually use ribbons(丝带) instead of buttons(扣子). It is the main characteristic of Hanfu, too.

Now many young Chinese people show great love and interest in Hanfu. They wear Hanfu in different occasions. Wearing Hanfu is a new fashion across the country as people hope for traditional Chinese culture.

五、语篇填空(15 小题, 每小题 1 分, 共 15 分)

第一节: 阅读短文, 从方框中选择适当的词并用其正确形式填空, 使短文通顺、意思完整。每空限填一词, 每词限用一次。

they what order answer much how because careful take whether

Do people spend more time cooking today than they did in the past? The 61 is no. For example, Chinese family today spends just 27 minutes a day making 62 meals. In 2000, it was about half an hour a day. And how many young people know 63 to cook? Well, not many. From a survey, 49% of 18-30 year-old young people don't know how many minutes it 64 to boil an egg! Do you think 65 this change in cooking habits is a great problem?

Chen Lin, a doctor, thinks we have quite a lot of health problem today 66 not many people cook. He says when we buy takeaway (外卖) food. We don't know clearly 67 we are eating. The result is that we often eat a lot of food-- 68 than we need. But when we buy ingredients, like meat, fish and vegetables, and then cook them, we think more 69 about that. And when we think about the ingredients, we usually eat better.

In 70 to solve some of our health problems, maybe we should "cook more" instead of "eat less".

第二节: 阅读短文, 根据语篇要求填空, 使短文通顺、意思完整。每空限填一词。

Most students wear uniforms. Some students like uniforms, but others don't. However, Surveys show school uniforms are much 71 fashionable and comfortable so more students in China like uniforms now.

Last week, I interviewed some students about 72 they thought about the school uniforms.

Li Fang said "I like the school uniform because it is not necessary for me 73 choose clothes every day, and the school uniform is fashionable. But there is a problem, too. They are too expensive."

I asked Zhang Lei 74 she liked her uniforms. She told me she didn't like them because she wanted to look different from others.

75 short, different people have different opinions about school uniforms, but I agree the fashionable uniforms make most of the student want to wear uniforms in school.

六、补全对话(5 小题, 每小题 2 分, 共 10 分)

根据下面的对话情景, 在每个空白处填上一个适当的句子, 使对话的意思连贯、完整。
