A group of old classmates, they succeeded in their work and got together to visit their teacher. Their conversation soon turned to complaining (抱怨) about the stress (压力) in their work and life. The teacher went to the kitchen and returned with a large pot of coffee and many cups. Some of the cups are expensive and lovely, but some are cheap and not beautiful. The teacher told them to help themselves to the coffee.

When all the students had a cup of coffee in hand, the teacher said "Have you noticed all the nice-looking expensive cups were taken, leaving behind the cheap ones? It's OK for you to want only the best for yourselves, but that is why you have the stress in your work and life even if you are very successful now.

"All of you really wanted the coffee, not the cups, but you chose the best cups and were eyeing each other's cups."

"Now think about this, life is the coffee, and money and position in society are the cups. They are just tools to hold life. They do not change the quality (质量) of life. Sometimes, we just care about the cups, and we fail to enjoy the coffee. So, don't let the cups drive you, enjoy the coffee instead."

#### Healthy Lifestyle

I think a good lifestyle is very important for us. All of us want to be healthy. First, We should have healthy eating habits. We must have breakfast every day. We should eat more fruit and vegetables and less meat. We should drink a lot of water. Please remember, smoking and drinking too much is very bad for our health. Second, we should get enough sleep during the night. We can go to bed early and get up early. Staying up late is bad for our health. Third, we should do more exercise to build up our bodies. Finally, we should wash hands before meals and brush our teeth twice a day. If we don't feel well, we should go to see a doctor at once.
