Everyone knows that exercise is important. We all need to exercise. Doctors say it is good for us. It makes our heart and body strong. When the daytime comes, we must get up. This is the time for exercise.

Exercise means doing things with the body. Children who often exercise are more active (活跃的). This means they do better in tests and schoolwork than those who don't exercise.

There are many ways to exercise. You can walk, run, swim, skate, or play ball games. Make sure you exercise in the following ways: you have to like what you're doing. Exercise enough but not too much. It's best to exercise twice a week. Thirty minutes each time is enough. Try all kinds of sports until you find one, two or even three that feel right for you.

You can exercise at **fitness centers**. They have a lot of equipment (设备) there. The equipment will help exercise your arms, legs and other parts of your body to make you strong. Some people buy equipment for their homes. But it is very expensive.

Exercising can be fun. Friends can exercise together at a fitness center, or they can play sports together. How do you exercise?
