Dear Mr. White,

I'm glad to hear that there is going to be a new club in our school. Among the English Club, Sports Club and the Animal Saving Club, I am most interested in the English Club.

We all know that English is very useful in the world. Many students feel it hard to learn it. We start the club to teach the students how to learn English well. And there are many good ways to learn it such as reading English stories, singing English songs, watching English films and so on. In this club students can find their own best ways to learn English.

I really hope that our school can set up the English Club. Thank you.

Yours,
Li Hua
