Sports in My Eyes

There are many kinds of sports. Among them, I like running best.

Running is an easy and interesting sport. We don't need to prepare any tools for running. We can become healthier and stronger as long as we keep running. And we can relax ourselves by running. As for me, I run at least 30 minutes in the school playground every day, because my home is next to the school. Sometimes I run slowly, but sometimes I run fast. Running gives me a lot of fun. I think playing football is also good. If I have a chance, I'd like to try playing football.

I hope I can keep the habit of running and keep healthy.
