#### My Plan for Mother's Day

Mother's Day is coming. I'm going to spend the whole day with her on Mother's Day. As for gift, I'm going to give her something special and thoughtful.

In the morning, I'm going to write her a letter. I will write about all the good memories I have with her. My mother likes singing, so I'm going to make a CD for her. In the afternoon, I'm going to take her to the flower shop and choose her favourite flowers. My mother likes taking photos, so I will take photos with her and leave our good memory. In the evening, I'm going to make a big dinner with her. And I will wash all the dishes and do some cleaning after dinner.

I hope my mother will have a meaningful Mother's Day.
