B

The year 2022 will be a big year for sports in China. That's because it holds* not only the 24th Winter Olympic in Beijing, but also will hold the 19th Asian Games in Hangzhou. Hangzhou will be the third Chinese city to hold the Asian Games after Beijing and Guangzhou in 1990 and 2010.

The Asian Games means a lot to China, so Chinese people are working hard to make it a great success*. There will be many kinds of 5G robots, such as the cleaning robots, the cooking robots and robots which can keep everyone safe and far away from COVID-19.

Disinfecting* robots

The robots have long necks and they will spray* special water through their heads. So they will be good at disinfecting the stadium. A robot can spray 100 playgrounds a day easily. The robot is also very clever because it can guide itself to a new place.

Inspection* robots

"Hello friend, please wear a mask*," says a robot named Xiaobai. The fat robot can find people quickly. If a person is not wearing a mask, it will walk to the person and ask him or her to wear one. The robot can walk 6 to 10 kilometers every hour. And it is able to work for 10 hours every day.

That's not all. We are looking forward to seeing more robots for Hangzhou Asian Games on TV in the near future.

31. Which city will hold the 19th Asian Games?
 A. Hangzhou. B. Beijing. C. Guangzhou. D. Suzhou.
32. The underlined word "it" in paragraph 2 refers to _____.
 A. The Winter Olympic B. the Asian Games
 C. the 5G robots D. the cooking robots
33. According to the passage, which picture shows the **Disinfecting robot** look like?

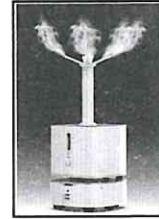

A.

B.

C.

D.

34. The robot Xiaobai is able to walk _____ kilometers a day.
 A. 6 B. 10 C. 70 D. 120
35. What is the passage mainly about?
 A. Hangzhou will hold Asian Games in 2022. B. Inspection robot is very clever.
 C. New robots will help people on Asian Games. D. Disinfecting robot can keep us safe.

C

One day, a father is doing some work when his son comes and asks, "Dad, can I ask you a question? How much do you make an hour?"

His father gets a bit bored and answers, "Why do you ask such a thing?" The boy says, "I just want to know. Please tell me." His father then says that he makes about \$50 an hour.

"Oh, that's too much!" the little boy answers with his head down. Looking up, he says, "Dad, can I please borrow* \$30?" The father gets angry and says, "That's why you ask about my pay? If you want to borrow some money to buy a boring toy, then you'd better go back to your room. I work hard every day and I do not like such a thing."

▲. After about an hour or so, the man calms down*. He goes to the boy's room and opens the door. "Are you sleeping, son?" he asks. "No, dad." the boy answers. "I am thinking – maybe I am too hard on you earlier," his father says. "Here's the \$30 you want."

The little boy sits up with a smile*. Then, he takes out \$20 from his schoolbag, then looks up at his father and says, "Dad, I have \$50 now. Can I buy one hour of your time? Please come home early tomorrow. I would like to have dinner with you."
