二、完型填空（本题共 10 分，每小题 1 分）

Today, almost everyone has a smart phone. We use them to communicate(交流) with our friends, listen to music and pay for the things we buy. Smart phones have made our lives 21 more convenient (方便的) than ever before, and it 22 more and more necessary for us to use smart phones in our daily lives.

But now, many people are too dependent (依靠) on them. Some people play games on them day and night, forgetting to eat and sleep. Some people stay at home and chat (闲聊) with their friends, refusing 23 or work. Some people don't even want to go outside to play sports. We often see people sitting together 24 nothing to say, just playing on their phones by 25 .We often see family members playing on their phones at home without talking to 26 .

I 27 everyone to think about this problem carefully. We must 28 our phones. Friends need talk face to face. 29 need more communication at home. Only in this way people get 30 to each other. Let's do it together.
