From a Sports Star to a Lunch Man

What could a football player do after leaving his career? Thomas started a job in a school kitchen. It was even a bit surprising to himself.

Thomas likes cooking, but he was not sure about working as a lunch man. However, when the chance (机会) came, he took it. His two children’s school didn’t have anyone to run their kitchen just before the start of the new school year. He thought, “I’m looking for something to do with my time, and I’ll be around my kids, so why not?”

Thomas is tall and strong, and doesn’t look like a usual cook. His working style(风格) is also different. He doesn’t make usual meals like pizzas, hamburgers or fries. He uses his interest in exercise science and nutrition(营养学) to make healthy and delicious(美味的) meals for the students.

To make the meals better, he asks the students for suggestions. Then he makes changes. It’s

not easy work, but Thomas tries his best to make the lunch different and delicious. The students love him and can’t get enough of his food. And they are happy to try new food and talk with him.

- () 33. Why did Thomas decide to work in the school kitchen?
①He needed a job. ②He likes cooking.
③He wanted to work in the school. ④He can spend more time with his kids.
A. ①②③ B. ①②④ C. ①③④ D. ②③④
- () 34. What’s the meaning of the underlined word “run” in the second paragraph?
A. 跑动 B. 流淌 C. 管理 D. 关闭
- () 35. What helps Thomas cook in a different way?
