Last weekend I did a lot of things. I went to school from Monday to Friday. On Monday, I had an interesting psychology class. I played some games with my classmates. They made me feel relaxed. On Tuesday, our class had a basketball match with Class Two. On Wednesday morning, I played tennis on the playground but it rained suddenly so I went into the gym. On Thursday, after school I bought a bunch of flowers for my mother because it's her birthday. On Friday afternoon, I watched a film about Chinese history. I learned a lot from the film.

I had a wonderful week.
