China has a history of over 5,000 years, much longer than that of America. There are so many kinds of traditional Chinese cultures such as Beijing Opera, paper cutting and Chinese tea culture. We Chinese people like drinking tea. It's over 4,000 years since the Chinese began to grow and drink tea. There are many kinds of tea in China, such as green tea, black tea, wulong tea, etc. People use tea pots and tea cups that are made of china to drink tea. Tea is served not only at tea houses and restaurants but also at home. Drinking tea has become a good habit of our Chinese people.
